

**Walden Woods Conservancy
Committee Reports
April 2022**

Communications: (Peter D.)

Peter DeBisschop will step down as communications chair September 30th. Volunteers will be sought to take over the position(s). There are two major tasks: (1) maintaining the website and (2) sending out email communications. Email addresses are provided by Elite and the Welcome Committee. Calls for volunteers will begin after the April board meeting.

Documents: (Cori W.)

Documents has provided the Board with its updated drafts of the rules, maintenance standards, collection policy and expects that the Board will be spending a substantial amount of time reviewing and amending those drafts as it sees fit with the expectation that a vote on the draft rules with changes can happen. After that legal notice for notice and comment will need to go out the UO's for a hearing at a future Board meeting. This should complete the Documents committee's commitment to updating the Community documents. Cori.
