

**Walden Woods Conservancy
Committee Reports
July 2017**

Community Garden:

The community garden has two replacement planters that are soon to be designed with a summer plant theme. Once again, THANK YOU, PETER!

Communications:

Committee made three boundary presentations. Two were open to all special sessions. About 30 people attended. One was request of Duplex at their Council meeting. The brochure "The Long and Short of It" was printed. 300 copies were distributed. Boundaries material will be posted on the website on or about 8/1.

Documents:

All is set for Aug 1 emailing/ mailing of boundaries amendment. M. Perlstein is putting final signature touches on amendment signature form. Elite has committed to Aug 1. Three Rule additions/changes should be on the agenda for Notice and Comment.

Environmental:

The Environmental Committee had to postpone its last two Saturday working meetings due to weather; it's been a wet early summer. We will resume our efforts after vacations are done with in mid-August or early September.

Meeting House:

We have been watering the flowers. Mark from Russo is aware that several smaller plants have died. They will be replaced. A contractor weather stripped the front door. Chris is awaiting quotes on repair of the chimney. Seven rentals are scheduled.

Rec & Social Committee:

Nothing to report this month
