

**Walden Woods Conservancy
Committee Reports
February 2017**

Community Garden:

Nothing to report.

Communications:

Nothing to report

Documents:

Awaiting Fuss & O'Neill and Atty. Perlstein

Environmental:

The committee will be resuming its work in late March to early April depending on the weather conditions. Please remember that our annual Walden Woods Earth Day Cleanup is scheduled for:

Saturday, April 22, 2017

10:00 a.m. (meet at pond deck for snacks, trash bags and gloves)

This is the committees biggest annual event and every extra pair of hands help us keep the trails, ponds and adjoining areas clean from trash. It's a great event for the entire family. Kids love to help mom, dad, grandpa and grandma do their part for Mother Earth. Bring your friends as well, it's always a great event and we welcome anyone who can help us.

Your Walden Woods Environmental Committee

Meeting House:

We have contracted to have the MH cleaned once a month. A reminder was sent out to all directors, committee chairs, activity leaders about properly closing up the MH.

Rec & Social Committee:

Two events were held in February:

- Soup-er Bowl Party on Sunday February 5
 - Approximately 13 people attended for a fun night of soup, chili, cookies, pie, and a topsy-turvy game – enjoyed by all.
- Zocco's Night out
 - 34 residents and guests attended. As usual, great food, good prices, and shared community.

Next scheduled events will be in April: Earth Day Cleanup and Spring Fling & Egg Hunt.

Respectfully submitted,
Roland

Standards:

Nothing to report this month.
